Hi,

I'd like to be the first person to give you a Chrissy present this year!

And no - it's not some cheap trinket made from plastic, nor is it jocks, socks or frilly underwear!

It's the PropertyInvesting.com 2007 Gift Pack, valued at \$49 but happily given to you for free! Your online gift pack is available right now at: <http://www.propertyinvesting.com/go/226>

Included is a variety of audio, video and print materials, all designed to provide you with new ideas and insights about how to improve your investing profits.

I hope you like nice surprises, because I've also slipped in a mystery gift that's sure to bring a smile to your face... particularly if you like selling best selling authors humiliated!

I highly recommend the videos! On one I'll show you how to identify hot property suburbs, and on the other I'll walk you around one of my latest property purchases.

How To Unwrap Your Christmas Present

It's easy to access your online gift pack. It's all ready and waiting for you at <http://www.propertyinvesting.com/go/226>

Finally, on behalf of the entire PropertyInvesting.com team, have a wonderful Christmas and a safe, happy and prosperous New Year. We look forward to helping you in 2008!

Merry Christmas,

Steve McKnight
